no specific disposal considerations are required

14 TRANSPORT INFORMATION

UN number: not classified as dangerous for conveyance

Road transport - RTMD-R

Air transport -IATA

Sea transport - IMDG

Classification: not classified

Classification: not classified

Classification: not classified

Packaging: original packaging

15 REGULATORY INFORMATION

EEC classification:

Hazard symbol:

Risk symbol:

Safety advice:

S2 Keep out of the reach of children

S24/25 avoid contact with skin and eyes

16 OTHER INFORMATION

This safety data sheet has been produced in conformity with the Chemicals (Hazard Information and Packaging for Supply) Regulations 2002 (CHIP3) and the GB legislation which implements several EU directives, including the Dangerous Substances Directive (67/548/EC; DSD) and the Dangerous Preparations Directive (1999/45/CE; DPD).

This sheet supplements the technical instructions for use and the label but does not replace them. The information it contains is correct to the best of our knowledge at the time of publication.

The user's attention is also drawn to the risks, which may occur when a product is used for purposes other than those for which it is intended.
